About the Banking & Finance Post

Since 2015, **The Banking & Finance Post** has been at the forefront of capturing India's dynamic BFSI transformation. Published bi-monthly by Elets Technomedia, this flagship magazine blends sharp analysis with deep sectoral insights, tracking the pulse of innovation, regulation, risk, and resilience.

Whether in print or digital, each edition delivers authoritative perspectives on tech-led disruptions, growth trajectories, policy shifts, and strategic leadership shaping the financial world.

Crafted for decision-makers, disruptors, and emerging professionals alike, this is more than a magazine—it's a platform where BFSI innovation commands the spotlight.

Transformative Days

Why This Summit? Why Now?

Real Learning. Impactful Alliances. Strategic Transformation.

As India races towards a \$1 trillion digital economy, the BFSI sector stands tall as the cornerstone. But staying ahead demands more than dashboards and datasets—it requires collaboration, foresight, and courage to disrupt.

The Big BFSI Shift

Fueling India's \$1 Trillion Digital Destiny

India's Tech-Driven Leap: A Decade of Digital Disruption

- From Aadhaar to UPI
- From wallets to account aggregators
- India is now the world's largest data democracy — powered by India Stack

Where We Stand: The Paradox of BFSI Digitalisation

- 95% of banking payment transactions are now digital
- Yet, loans, investments & advisory remain largely offline
- Financial services are under-digitalised where it matters most — revenue!

AI + BFSI: The Disruption Multiplier

- Serve 700M+ internet users with smart, personalised finance
- 87% of users begin financial journeys online
- Digital acquisition is 70% more cost-efficient than traditional channels
- From branch-heavy to bot-ready, the shift is now!

The Revenue Opportunity Ahead

- Digital Payments to hit \$3.1 Trillion by 2028
- Will contribute to 35% of total banking revenue
- The game is no longer about digitising payments — it's about monetising trust!

Your platform to turn industry challenges into strategic wins and opportunities into long-term growth.

Testimonials

Elets events are very good with interactive sessions. It's great to connect dignitaries from diverse backgrounds, including senior bureaucrats. Elets' events are very well planned.

Dr. Apppuorv

Executive Director & CEO
Exato.ai

Elets gets the right set of audience at its events. If I compare Elets events with other platforms in the market, the quality of the audience is outstanding here.

Pankaj Arora

Country Head
Mitel

The event brought together industry leaders from diverse fields like risk, compliance, and information technology, fostering valuable exchanges of insights and ideas.

Arindam Mukherjee

President
Cloud4C Services

While we meet CXOs in office settings, the vibe here at the Elets platform is completely different. It's a great opportunity to understand their priorities in a casual setting.

Jimmy Thomas

Director, India and South Asia
HCL Software

Elets presents an inclusive community of thought leaders at its events. Interactions are well-paced and impactful.

Rishabh Ladha
