BUILDING INFRASTRUCTURE, CONNECTING NATION

National Summit on Strategy for Ports & Highways Infrastructure and Logistics Efficiency

Keynote Speaker
Shambhu Singh
Additional Secretary & Financial Advisor
Ministry of Road Transport & Highways
and Shipping
Government of India

Creating world class infrastructure is key to India's growth and enhancing its competitiveness in a rapidly globalizing world economy. Road, Transport, Highways & Port infrastructure sets the pace, structure and pattern of growth through the power of connect and interconnect. Experts opine that ensuring connectivity is pivotal for the economic growth of the country. Realising this, the present government in power has emphasized in creating world class infrastructure in terms of building highways, expanding railways network, connecting rivers.

Elets Technomedia Pvt Ltd, Asia & Middle East's premier media and technology research organisation is organising one of its kind 'National Summit on Strategy for Port & Highways Infrastructure and Logistics Efficient' in New Delhi on 13th August 2018 in association with 'Ministry of Road, Transport & Highways, Government of India' as the 'Supporting Partner.'
